

# Todd County Schools

Addressing Our Achievement GAP

# Todd County

# About Us

- 2 Elementary Schools
- 1 Middle School
- 1 High School
- 1 Alternative School/Credit Recovery
- 2197 Students
- 343 Special Education  
(including preschool)

# Focus Schools

- Todd County Central High School
- Todd County Middle School

# Main areas we have addressed:

- Literacy
- Math
- Co-teaching

# Literacy

- Early Release Training for SpEd Teachers using GRREC Consultants (2<sup>nd</sup> Year)
- Screening and Strategies
- Expanded to elementary and middle school
- GRREC consultant walkthroughs with feedback

# Math

- Early Release Friday training for SpEd Teachers
- Began inviting general education math teachers from the middle school and high school
- GRREC Consultant meet with all teachers during their planning at the elementary level
- Meeting with math PLC at the middle school
- GRREC Consultant walkthroughs with feedback

# Co-Teaching

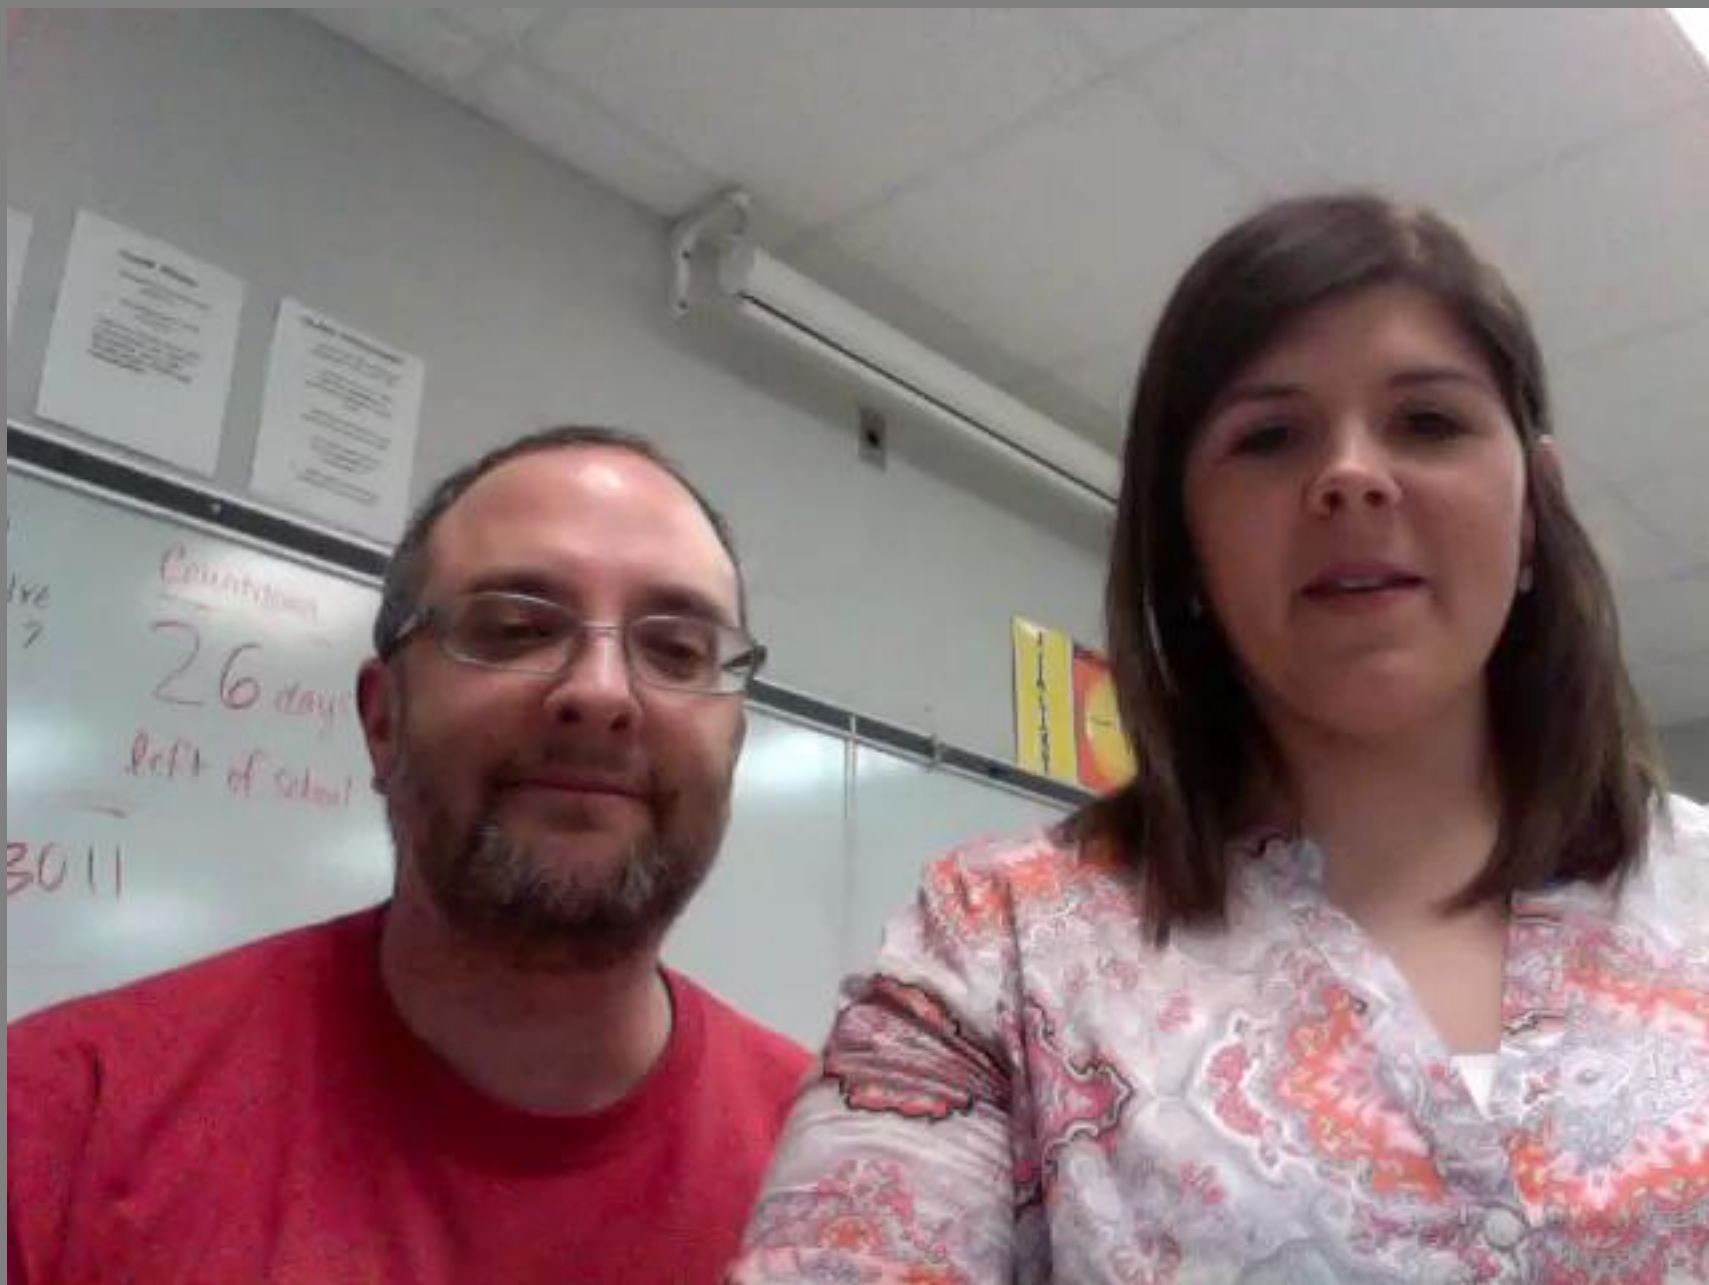

- All schools have had Co-Teaching Training and follow-up
- Lesson Planning
- Co-Teaching Coaching
- Co-Teaching Visits

# CT4GC

## Co-Teaching for Gap Closure Initiative

- Co-Taught Classrooms
- System of Continuous Classroom Improvement
- Research-Based Instructional Strategies
- Student Support Systems

# Next Steps

- Continue participation in the CT4GC
- Middle School to reapply
- Continue Literacy and Math Training
- More coaching with descriptive feedback
